

Grutto Pass 2025 goes on sale from April 1.

Tokyo Museum Grutto Pass 2025 goes on sale from April 1.

It is a cultural tour ticket available at a great deal of 2,500 yen and can be used at 102 facilities.

It is valid for two months from the day you start using it and can be used once per facility.

After Tuesday, April 1, e-tickets (QR codes) can be available for online purchase 24 hours a day.

Grutto Pass Cards (cards with a QR code) are available at participating facilities.

Both types of tickets have been well received for their portability.

*Please note that Grutto Pass Cards are not sold at the JAPAN OLYMPIC MUSEUM.

JCII Camera Museum and MINATO CITY LOCAL HISTORY MUSEUM have newly joined the Grutto Pass 2025 facilities.

Furthermore, SHITAMACHI MUSEUM and Museum of Yokohama Urban History/Yokohama Museum of EurAsian Cultures have rejoined.

Each museum is unique in its own way, fascinating, and definitely worth visiting.

Please see the exhibition information (from April to September) for details such as the facilities where you can use the pass, admissions, available discount options, and discount amount.

Click here for information on exhibitions at the facilities where you can use the Grutto Pass 2025, Grutto Pass 2025 brochure, and facility information.

Grutto Pass 2025 can be used at 102 participating facilities.

Choose your favorite facilities and make full use of the pass.

Notes

- Before visiting, please be sure to check the facility's official website or contact the facility for the latest information.
- Please note that a purchased Grutto Pass is non-refundable and its valid period is not extendable.
- The pass valid period is two months from the day you start using it, but its final expiration date is Tuesday, March 31, 2026.
